

**Advance notice of class fees increase - April 2025**

Dear all members of Diverse Dance Works,

Please be notified that in April 2025, Diverse Dance Works class rates will be increasing in line with rising outgoing rates.

Since 2020, our regular class rates have been the following;

30 minute group	£5
40/45 minute group	£6
1 hour group	£7

Since then, I have kept the rates at this price in order to make our classes as accessible as possible to our students, however with the increase in all of our outgoings to run classes - these rates are no longer feasible and I am forced to increase class costs.

Please understand that this is not a decision I have taken lightly, and I am keeping the rise as minimal as possible by £1.50. I sincerely hope this is manageable for all of our students.

Multiple siblings who attend classes will continue to receive £1 off each class.

The new class rates, as of April 2025 are as follows;

30 minute group	£6.50
40/45 minute group	£7.50
1 hour group	£8.50

Thank you for your understanding and ongoing support of our classes,

*Ayse Denizli AIDTA AISTD*
