PLEASE **AVOID**: putting glitter or facepaints all over the face (stick to suggestions above).

What should dancers bring?

- **All dancers should bring their uniform** (all black DDW top and black bottoms) uniform (they need to arrive wearing these).

Some dancers need to bring a few basic items for their costume;

- Portslade A - Black shorts.
- Portslade D (street) black vest top and joggers (colours discussed in class).
- Henfield B - Black shorts.
- Henfield D - grey joggers.

- **Required dance shoes** (street dancers need clean trainers (they know which colour to bring), lyrical can bring skin coloured footpaws if desired)

- **All dancers should bring a bag big enough to keep all their personal items** in to avoid losing things. Labelling clothes/shoes/bags/personal items will help to avoid things getting lost too!

- **Correct underwear for their costume** (I will have discussed this in class with the effected groups but if unsure ask me)

- Additional hair ties/grips, lipstick

- Plenty of water (no fizzy drinks).

- NO messy snacks, strictly NO snacks containing nuts.

How should dancers arrive?

- All dancers should arrive with their hair and makeup already done.

- **All dancers must be wearing their uniform** (all black with their Diverse Dance Works Uniform tops).

- **Promptly** at drop off/sign in time, see where & when page

- Without jewellery (small piercing studs/hoops allowed)

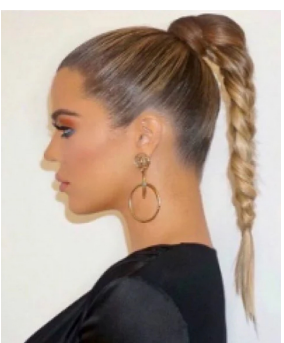

- Advisably without valuables (any items lost are at your own risk)

- Having recently been to the toilet please (parents please ensure young ones have been!)
